

VIRTUAL SPEED MENTORSHIP

HIGH SCHOOL EDITION

DECEMBER 8, 2020 | 6:30 - 8:00PM

Women in Consulting Engineering (WCE) is excited to be hosting our first **Virtual Speed Mentorship Evening** where Engineers from our very own WCE member base can help answer questions and provide advice on **career and education options after high school**. While the majority of mentors will be female, this event is open to high school students of all genders!

For interested participants or volunteer mentors, please sign up at the links below. For any questions, please contact Emily at outreach.wce@gmail.com
